MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 8th February 1967

SUBJECT.—Import of raw materials, components and spare parts by actual users in the small scale sector for the period April '66—March '67.

No 21-ITC(PN)/67.—Attention is invited to Ministry of Commerce Public Notice No. 84-ITC(PN)/66, dated the 23rd June, 1966 regarding the issue of special licences to small scale industrial units for raw materials, components and spares for the period April 1966—March 1967.

2. It has been represented that certain existing units which had obtained actual user licences for raw materials, components and spares for the period April 1964—March 1965 or April 1965—March 1966 have not applied for the grant of special licences in terms of Ministry of Commerce Public Notice No. 84-ITC(PN)/66, dated the 23rd June, 1966, although such units had submitted their normal applications for a licence for import of raw materials, components and spares for the period April 1966—March 1967 through the sponsoring authorities concerned in terms of the policy originally announced in the Red Book.

3. After due consideration it has been decided that in the case of such units the normal applications submitted by them for raw materials, components and spares through the sponsoring authorities concerned may be considered for the grant of special licences to them for the period April 1966—March 1967 in terms of Ministry of Commerce Public Notice No. 84-ITC(PN)/66, dated the 23rd June, 1966. The sponsoring authorities may, therefore, forward such applications with

their recommendations to the regional licensing authorities concerned. Import licences will be issued against such applications on the same basis on which special licences have been issued to other existing units for the period April 1966—March 1967 in terms of Ministry of Commerce Public Notice No. 84-ITC(PN)/66, dated the 23rd June, 1966 after applying a cut of 25%.

4. The actual users concerned who have not submitted their applications for special licences for the period April 1966—March 1967 should intimate this fact to the sponsoring authorities accordingly within fifteen days from the date of issue of this Public Notice. Such requests should be accompanied by a declaration from the Actual user concerned to the effect that he did not submit any application for import of raw material, components and spares for April 1966—March 1967 period in terms of Ministry of Commerce Public Notice No. 84-ITC(PN)/66 dated the 23rd June, 1966. The sponsoring authorities will forward the applications already submitted to them to the licensing authorities concerned with their recommendations.

P. D. KASBEKAR,
Chief Controller of Imports and Exports.
